Fast Forward 2015

Join us for Fast Forward on February 20-21 to help us generate funds for mission trips throughout the summer and assist people in need. Fast Forward is fasting from food for 30 hrs. noon Friday until 6pm Saturday. The participant may have liquids during the fast. Groups sharing in the fast are asked to solicit funds per hour of the fast and may collect the amount after the fast is complete. Checks can be made payable to Vision 2 Hear and are tax-deductible.

Fast Forward can be done at church or home and there will be materials available online and for the groups sharing in the fast to help direct people's thoughts, prayers and focus during the time of the fast.
